

In the Name of God

First Workshop for International Residents of Shiraz University of Medical Sciences

Introduction

Residents, as future instructors, must be trained. In the current century of innovation, instructors require novel cognitive and technological skills and abilities. *Virtual School, Center of Excellence for e-Learning in Medical Sciences*, with the cooperation of the *International Vice Chancellery*, offers this workshop to provide the necessary training to future instructors. This workshop has a modular design, so participants can choose among them based on their specific needs.

Program

This workshop will run in two introductory and advanced levels. The introductory level will run for 3 days, with 5 modules and 1 orientation session, from the 12th to the 26th of January, 2023. The advanced level will run for 4 days with 6 modules and a conclusion from the 2nd to the 23rd of February, 2023. Both workshops will be held in person at the Imam Ali (a.s.) Hall of the Virtual School. Details are provided below:
